Inland Marine Capabilities

LPL INLAND MARINE CAPABILITIES

We have various facilities with our supporting Lloyd's underwriters for the following Inland Marine and Transportation risks.

- **Primary and Excess Motor Truck Cargo**

Maximum limits of USD 250,000 per truck and USD 500,000 any one loss. Excess limits are available with a minimum primary retention of USD 100,000. Coverage written on Broad Form 15.

- **Automobile Physical Damage Insurance**

Maximum limits of USD 250,000 any one unit, USD 350,000 any one combination, USD 1,500,000 any one terminal. Minimum deductibles USD 1,000 any one unit. Coverage based on the Lloyd's NMA 1650 form.

- **Dealers Open Lot and Garage Keepers Legal Liability**

Maximum limits USD 2,000,000 per location
Furnished automobile coverage available

- **Contractors Equipment**

We have access to specialist underwriters in this class, with whom we have successfully placed a variety of equipment types and values from single items to multiple item schedules with various loss records.

Each account is rated individually on total insured values, commodities carried and past experience as applicable.

With full underwriting information we provide a fast and efficient service that enables us to quote and bind risks within 24 hours.
